* This Grand Canyon University Scholarship Foundation (GCUSF) scholarship package is offered in conjunction with Grand Canyon University (GCU). Each organization will pay up to one-half of the award, with the award intended to cover tuition, applicable enrollment and program fees and all other non-room and board costs. Tuition and fees will be covered by a combination of aid such as scholarships and grants from federal, state, private and institutional sources. The scholarship package cannot be applied toward parking, health insurance, housing or meal plan rates and is not transferrable, nor does it hold any cash value. This scholarship package is renewable for up to three years for eligible students who make timely application for renewal and meet all academic requirements. (Note: GCU strongly recommends a minimum of 50 hours of service in the GCU Learning Lounge per academic year in order to receive the letter of recommendation). To remain eligible, a student must be continuously enrolled full-time in the Fall/Spring semester and be in good academic standing. Full-time enrollment constitutes enrollment in 12 credits or more, 8 of which must be on the "Ground Campus." Both GCUSF and GCU reserve the right to decline to award a scholarship for any reason. If a student does not meet the minimum renewal criteria, a scholarship will not be renewed. GCUSF and GCU each reserve the right to change scholarship award and/or renewal criteria at any time without prior notice.

** Admissibility Requirements: 3.0 unweighted GPA, 19 ACT, or 920 SAT (includes math and reading scores only)

† Financial need is determined by the Office of Financial Aid. Students must apply for the FAFSA. If eligible, PELL Grant, along with all other gift aid, including federal and state grants and loans, as well as private scholarships, are subtracted from student's tuition and fees unless they are being used for costs not covered in the scholarship program such as housing and meal plans. The remaining cost of tuition and fees up to a maximum of \$18,000 will be covered by this scholarship package.
